

Face Mask Info Sheet

Two styles are available:

Rectangle - ladies (small) and mens (medium) *

Fitted - ladies (small) and mens (medium) *

*these sizes are interchangeable

Both styles are 100% pre-washed cotton fabric, 3 layers, have a nose piece and elastic ear loops. They are **\$15 each** which includes postage (in letter envelope) or if you prefer tracking you will need to add \$9 to your order. Pick-up is also available (see below for details).

All masks are made to order and are not made in bulk. Colour and pattern does vary and photos can be supplied on request. This is a one person operation, it takes time to wash, dry, iron, cut, sew, photograph and post. There is a 1-3 day turnaround, depending on your order and my list!

Care instructions

Hand wash (daily at least) with a little soap in warm to cool water (do not twist nose wire). Rinse and drip/line dry.

Payment and Pick-up options

A pick up option is available from my front veranda in Alphington. Please book a collection time so I know when to expect you. You must adhere to current lockdown laws, and social distancing rules. The studio is closed to the public.

When picking up you are welcome to leave exact cash in envelope, pay via credit card or I'll pass on my banking details.

Returns and/or exchanges

Returns and/or exchanges are unaccepted due to hygiene reasons. If there is a fitting issue I can make adjustments but please wash the mask first.

Thanks very much for buying local and supporting my small business. Let me know if you have any questions.
